

M A G O™

il sistema controtelaio  
migliore in Italia

The MAGO logo graphic consists of four colored squares arranged in a 2x2 grid: a light green square at the top-left, a dark green square at the top-right, a light yellow square at the bottom-left, and a dark yellow square at the bottom-right. The word "MAGO" is written in a large, black, sans-serif font, with a trademark symbol (™) to the upper right of the letter "O". Below the logo, the text "il sistema controtelaio migliore in Italia" is written in a smaller, black, sans-serif font.

**E' un Controtelaio ad alte prestazioni d'isolamento, adatto a qualsiasi zona climatica , concorre all'eliminazione del rischio formazione di muffe e condense in prossimità degli infissi.**
